

AE (Armor Express)
ARA-SHOCK Level IIIA plates
7x10 & 5x8

Upgrade your level II soft armor up to Level IIIA ballistic. Tested to level IIIA performance in conjunction with level II soft armor.

The next generation of Up Armor—The Armor Express Foam Encapsulated Ara-Shock ICW plate (patent pending). Foam encapsulation provides a lighter, more streamlined finish to an already proven line of ballistic armor performance.

TECHNICAL CHARACTERISTICS	Ara-Shock ICW 7x10	Ara-Shock ICW 5x8
